

AdvancedWare is Pleased to Present AWeReporting for Avanté - \$1,900

In today's world distributing printed hard copy reports are out – sending electronic reports are in!! With AWeReporting, ANY Avanté report can be distributed electronically. And guess what? You can accomplish this without any additional effort if you have AWeReporting. That's right, with AWeReporting, users can simply pick "Electronic Printing" as their printer and any report in Avanté is sent electronically. In fact, the report can be transmitted via email as a Word Document, as a PDF document, or as a faxed (requires fax server software) document. You can even view the report right on the screen and print it out if you wish. Imagine, every report in your Avanté system can be an "Electronic Report" and all you need is AWeReporting from AdvancedWare.

Our Turnkey Approach: For the price of \$1,900, AWeReporting includes everything you need for your company to be up and running live. AWeReporting is fully integrated with your release of Avanté, even if you have customization.

The Bottom Line: With AWeReporting, your users will be able to automatically email (Word or PDF format), view or print any Avanté report.
