

## AdvancedWare is Pleased to Present AWWebStore for SQL based ERP Systems - \$16,500

AWWebStore will enable your company's Web site to process orders for your SQL based ERP system. With AWWebStore, Customers, Distributors and Consumers will be able to purchase your products on-line via a streamlined Web interface. And because AWWebStore does Real-Time validations when the order is being placed, you can rest assured that only accurate orders will be updated into your business system. Just think of it, with AWWebStore your Customers, Distributors and Consumers (through a secure connection of course) can use a Web browser from anywhere in the world to purchase your products. AWWebStore includes the capabilities below and more ...

#### Products are organized by category

### Streamlined interface for ordering products
