

Delivering Exceptional Services & Software Every Time

AWWebPortal \$16,500

AdvancedWare is Pleased to Present AWWebPortal for Avanté - \$16,500

AWWebPortal will enable your company's Web site to access key information from your Avanté business system. In fact, with AWWebPortal, the access is Real-Time so the Web users will always see the latest information available. Just think of it – with AWWebPortal, your Customers, Distributors and Employees (with the proper security, of course) can use a Web browser from anywhere in the world and have the capabilities below and more ...

Total:				\$38,748.14		

Our Turnkey Approach: For the price of \$16,500, AWWebPortal includes the combination of products and services needed for your company to be up and running. This turnkey price includes setting up AWWebPortal onto your Web server, pilot reviews, and full integration to any release of Avanté, even if you have customization.

The Bottom Line: All you need is AWWebPortal and your company's Web site will be providing Customers, Distributors and Employees Real-Time access to key information from your Avanté system.
