AWeReporting
\$1,900

AdvancedWare is Pleased to Present AWeReporting for ManFact - \$1,900

In today's world distributing printed hard copy reports are out – sending electronic reports are in!! With AWeReporting, ANY ManFact report can be distributed electronically. And guess what? You can accomplish this without any additional effort if you have AWeReporting. That's right, with AWeReporting, users can simply pick "Electronic Printing" as their printer and any report in ManFact is sent electronically. In fact, the report can be transmitted via email as a Word Document, as a PDF document, or as a faxed (requires fax server software) document. You can even view the report right on the screen and print it out if you wish. Imagine, every report in your ManFact system can be an "Electronic Report" and all you need is AWeReporting from AdvancedWare.

When you run any ManFact Report and pick the AWELECTRONIC Printer, this screen will automatically appear with these options.
