

AdvancedWare is Pleased to Present AWWebStore for SQL Server - \$16,500

AWWebStore will enable your company's Web site to process orders for your SQL Server business system. With AWWebStore, Customers, Distributors and Consumers will be able to purchase your products on-line via a streamlined Web interface. And because AWWebStore does Real-Time validations when the order is being placed, you can rest assured that only accurate orders will be updated into your business system. Just think of it, with AWWebStore your Customers, Distributors and Consumers (through a secure connection of course) can use a Web browser from anywhere in the world to purchase your products. AWWebStore includes the capabilities below and more ...

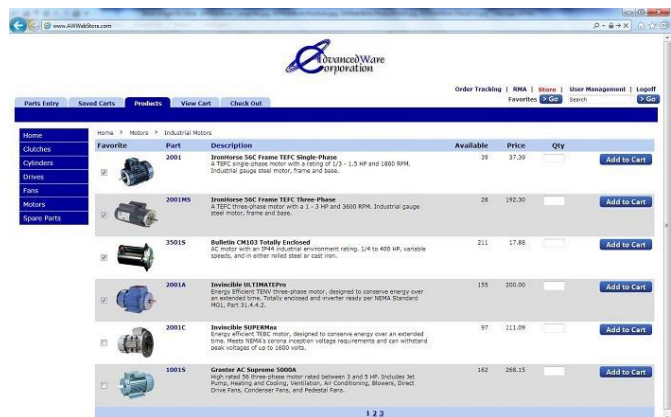

Products are organized by category

The screenshot shows a web browser displaying the AWWebStore homepage. The navigation menu includes Home, Clutches, Cylinders, Drivers, Fans, Motors, and Spare Parts. The main content area is divided into six product categories, each with an image and a brief description:

- Clutches:** Award winning line of Industrial Clutches for demanding environments. These Clutch products are ideal for the mining, marine, manufacturing and logging industries.
- Cylinders:** High quality robust Industrial Cylinders for different gases like Hydrogen, Oxygen, Nitrogen, etc. Able to handle extremely high pressure and guaranteed to last.
- Drivers:** Drivers that utilize 3-stage planetary gear design to transmit power to sheave and fulfill regulations TRA 200 and TRA 220/229. Supports motor speeds of 1,000, 1,500, and 3,000 rpm.
- Fans:** Industrial Fans for your workplace that really keep the air moving. View our wide selection of HVAC, Industrial and residential ventilation fans to meet every need imaginable.
- Motors:** Motors for Industrial, Commercial and specialty environments. Extensive selection in every size and capacity to meet the needs of our customers.
- Spare Parts:** Wide Variety of Spare Parts for your Motors, Clutches, Drivers, and Fans. Everything you need is available on line.

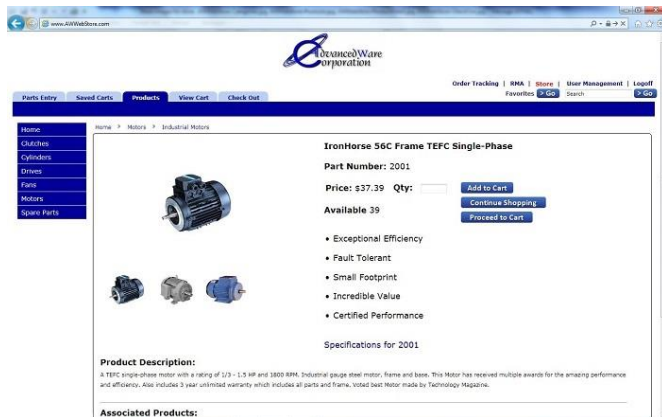

Streamlined interface for ordering products

The screenshot shows a product listing page for Industrial Motors. The page features a table with columns for Part, Description, Available, Price, and Qty. Each row includes an 'Add to Cart' button.

Part	Description	Available	Price	Qty
