AdvancedWare is Pleased to Present AWSalesforceInterface for Avanté - $25,000

AWSalesforceInterface is the perfect solution for Avanté users who are running Salesforce or are planning to run Salesforce. Salesforce is a great product but without the key integration with Avanté you are getting less than half the benefit. AWSalesforceInterface includes initial loads of historical information as well as automatic updates for new/updated information.

Avanté ERP System AWSalesforceInterface → **salesforce**
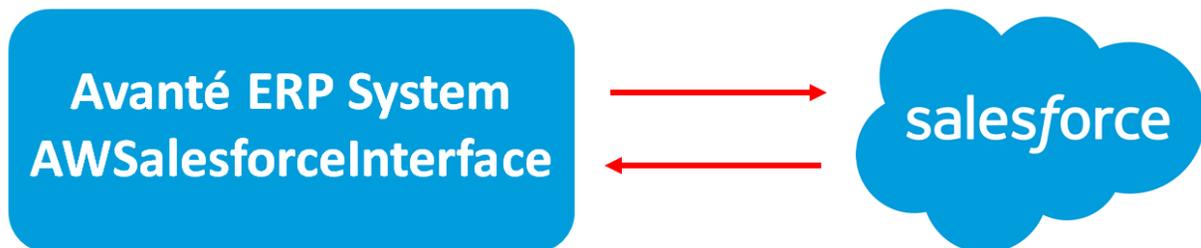

AWSalesforceInterface integration from Avanté to Salesforce:

- Avanté Customer Master information integrated with Salesforce Accounts

- Avanté Customer Contacts information integrated with Salesforce Contacts

- Avanté Item Master information integrated with Salesforce Products

- Avanté Quotes (Header & Detail) information integrated with Salesforce Quotes

- Avanté Sales Orders (Header & Detail) information integrated with Salesforce Sales Orders

- Avanté Invoices (Header & Detail) information integrated with Salesforce Invoices

AWSalesforceInterface integration from Salesforce to Avanté:

- Salesforce Accounts information integrated with Avanté Customer Master

- Salesforce Contacts integrated with Avanté Customer Contacts

- Salesforce Quotes integrated with Avanté Quotes (Header & Detail)

Our Turnkey Approach: For the price of $25,000, AWSalesforceInterface provides your company with two way integration with Avanté and Salesforce. The $25,000 price includes all services for Installation, Setup, Pilot Reviews and Go-Live. And best of all, AWSalesforceInterface works with any release of Avanté, even if you have customization.
