AWShippingQueue \$1,900

AdvancedWare is Pleased to Present AWShippingQueue for Avanté - \$1,900

AWShippingQueue gives you constant visibility of your shipments. The AWShippingQueue displays can be viewed on any PC, Smartphone, or Large Monitor Display. Shipments are critical to your company and you can use AWShippingQueue to stay right on top of them. You can sort the Display by Priority, Ship Date, Customer, Revenue Amount, etc., and the information displayed automatically refreshes so you constantly see current information. And best of all, you can run AWShippingQueue on an unlimited number of devices (PCs, Smartphones, and Large Monitor Displays) and it works with any release of Avanté, even if you have customization.

From Large Monitor Displays to the Smartphone – Keep up on those Shipments!

Our Turnkey Approach: For the price of \$1,900, AWShippingQueue allows your company to monitor Shipments by Priority, Ship Date, Customer, etc., on a Smartphone, PC, or Large Display Monitor. The \$1,900 even includes installation and setup services.

To arrange for a demonstration or to order your copy of AWShippingQueue please give us a call at (949) 609-1240
