

Delivering Exceptional Services & Software Every Time

AWSalesReports \$14,500

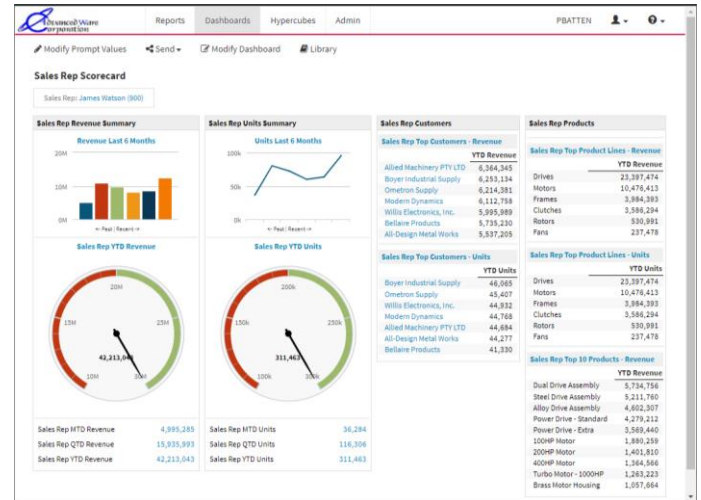

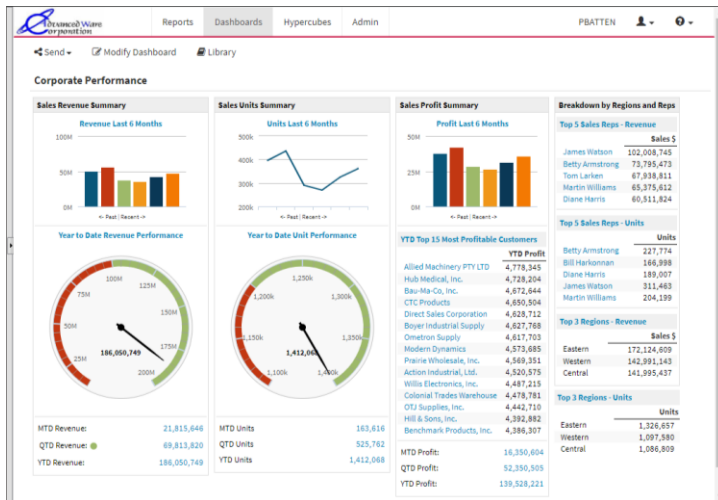

### AdvancedWare is Pleased to Present AWSalesReports for MANAGE 2000 - \$14,500 or \$19,750 Premium Version

AWSalesReports makes it easy to "slice & dice" a wide variety of Sales Information from your MANAGE 2000 system. With AWSalesReports, you can view "Big Picture" information, or drill into the details with a click of the mouse. Imagine using a graphical browser interface to quickly and easily review Sales Information for Regions, Sales Reps, Product Lines, Customers, Specific Products, and more. Exporting to Excel and Graphing – it's all there with AWSalesReports!

AWSalesReports is also available in a Premium Version which includes Digital Dashboards and Digital Scorecards that graphically displays key business information. By having these "Key Business Indicators" always at your fingertips, you can drive important business decisions quickly and easily.

**Our Turnkey Approach:** For the price of \$14,500 (\$19,750 for Premium Version), AWSalesReports includes all products and services needed for your company to be up and running live. We include the installation and setup of AWSalesReports on your system and full integration with any release of MANAGE 2000, even if you have customization.

**The Bottom Line:** All you need is AWSalesReports or to order your way that you will be clicking your way to great Sales Information.
